Vishista advaitsts have set up a unifying Society The Conservative Libertarian Society with it's political offshoot as a new Party named 'The Conservative Libertarian Party of the United Kingdom (TCLP-UK) that now has the approval of His Majesty King Charles III. Dear Sirs

As I have repeatedly informed Google that Google has terrorised me over the past 2 years in various emails, and this email is no exception to these attacks on me: I refer in particular to the

email that Google sent me yesterday that I had concerns over so I sent it to the Court of Appeal of the United Kingdom for adjudication purposes: ToCourtOfAppeal(CA-2003-000750 APPEAL OUTCOME Format of TCLP-UK acceptable to King Charles)6Apr2025.docx.

There is at this point in time no evidence for the website details Google sent me as lawful, so Google was instrumental in setting me up for a criminal action.

Yours sincerely

Golden rules for travelling with your Santander cards this Easter, Shantanu

Hello Santander

About a decade ago there were two false, that is fraudulent transactions of about £900-£1000 each made in my current account in addition to the much later terroristic conduct by Santander to embezzle TCLP-UK money from our joint account with my wife that was complained about but Santander never sent me a Report as to who it was that ordered these two experiences.

Would you care to apologise and pay some compensation now?

Yours sincerely

Handy tips for your Easter trip

Hi Shantanu,

We've all been there. Got the luggage packed, checked the passport is up to date but forgotten to check the foreign exchange rates or book travel insurance.

Here are some golden rules that'll help avoid the last-minute hassle.

Before you go

Book your holiday on a credit card. Section 75 (which is part of the Consumer Credit Act) gives you extra protection if things go wrong.

Pack the right card for you. Make sure you take the card that offers you 0% on foreign exchanges fees.

Take out travel insurance. Find the right cover for your peace of mind.

Tell us when you go abroad. If you travel outside the EU, then please let us know through your Online Banking. This helps us better protect you and reduce the chance of your payments being blocked.

Top tips for travel

While you're abroad

Pay in the local currency. We'll use Mastercard's exchange rate to convert your payment into pounds and pence. This will often be better than the rate you'd get from the retailer or cash machine.

Use a card with no foreign exchange fees on purchases. Some cards charge a fee if you buy things in other currencies. Others don't. So, check your cards, and make sure you use the ones with the lowest or no fee. Check fees and charges for your Santander cards.

We don't charge you for using a Santander debit card at Santander cash machines abroad.

Remember to take out cash in the local currency using your debit card if you can. Credit cards will often charge a fee for using a cash machine, plus interest until you repay the cash.

A Policeman from Kent Police visited us to talk to me between 11.15 to 11.45 am about an email that I had sent to Kent Police (Vansh Sharma) he mentioned and a longish interview took place. He also at the end spoke to my wife who explained further the mental health side of things that I have. I will speak to Britton House when I drive Rupa there at 1.45 pm for own appointment with a mental health advisor.

At 11.49 am a Conservative Libertarian website notification came. On reflection at 13.10 pm I deleted all the emails from my Gmail and Yahoo folders and there is agreement for use now to get rid of the BT Landline Phone.

 Sir

Your annoyance of terrorism set out on the legitimate business of the Conservative Libertarian Publications Limited was totally out of order and is hereby reported to Kent Police for an international warrant for your arrest and transportation to the United Kingdom to face a criminal court.

I am aware that you are one of around 5000 individuals acting singly or as part of an institution who have acted in synchrony to terrorise me in the United Kingdom as part of religious persecution, the details of which will be submitted to Medway Magistrates Court.

Kent Police, Crown Prosecution Service and Medway Magistrates Court are copied into this email of the PROCESSION TO THE NEXT STAGE, of my private prosecution that rightly employs the services of the Law Enforcement authorities of the United Kingdom.

Donald Trump is getting out of order in terms of presenting a dictatorial regime in the United States

<https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/donald-trump-is-getting-out-of-order-in-terms-of-presenting-a-dictatorial-regime-in-the-united-states>

Conservative Libertarians believe in truth, justice and democracy whereas Donald Trump represents the antithesis of these values.

It was utterly wrong to side with Russia the aggressor in the conflict with Ukraine in the war that has all but destroyed the infrastructure of the invaded country.

Donald Trump should not be invited to a State-visit to the United Kingdom unless his values are in tune with those of the United Kingdom in terms of foreign policies.

NOTES OF AN INTERVIEW CONDUCTED BY A POLICEMAN FROM KENT POLICE ON DR SHANTANU PANIGRAHI ON 7 APRIL 2025 MORNING

A Kent Police policeman came to our house at 11.15 am wanting to speak to me. He started with 'You have sent Force Controls at Kent Police email to vansh Sharna. I said Oh yes I know that one. They have been harassing me with trolling emails, so I reported them to Kent Police. He asked me why have you been harassed and since when? I said from 2015 when I took Kent Police to the Courts, But I did not know then that Kent Police cannot be pursued in courts. The law firms know nothing about the law, I approached 80 odd lawyers, and no one knew anything. You can contact Medway County Court and quote J00ME572 to find out the details.

Then the Policeman turned gradually to mental health issues and I said yes I am on medications for mental health issues. The rest of the conversation went on this way. I said that I have used a psychotherapist for the past 18 months by the name of Jill Jesson of Vitali-Chi but she was taken ill during the winter so it stopped. We had Zoom Sessions of therapy. It proved too expensive for me at £60 per session. He asked for the name of the medications that I was taking which I gave as risperidone, Depakote, sertraline, aripipazole for mental health issues and for urination problems I take Tamsulosin and Finasteride. I also take atorvastatin for high cholesterol. So I take 8 tablets in the morning and 2 tablets in the evening.

He then said that one of the things we can do is an Adult Referral Scheme, if the medications are not working. I said I want a Report from you in writing first on this interview. He said that I would not get a Report in writing. He asked Can I have your consent to make the referral. I said 'No; if you force me I will have to consult a mental health solicitor first. He expressed surprise that there were any such specialist solicitors. I said, 'Yes there are'.

All lies I said. I was a scientist at the Natural Resources Institute and they got rid of me for they were peddling lies. I also lost lots of menial jobs for the same reason. They took money out of my Bank Account. I contacted the Magistrates Court today but nothing. Can you chase Santander Bank up for me? He said 'No. You have to go Action Fraud. I said I have been to Action

Fraud. They do nothing. Then the policemen started giving tips and advice on how to stop falling a victim to such online Fraud. I said the Police should catch the criminals but they cannot because it takes time and they have greater priority for talking sexual crimes and physical assault crimes. I said, if you receive an email or text, you cannot ignore them for it will leave you at a disadvantageous position legally. My psychotherapist Jill Jesson advised me to ignore them saying that if it was an important matter they will send something in the post.

I have been a mental health patient for 27 years. He asked what I suffered from: I said they think it is paranoid schizophrenia and also persistent delusional disorder. He asked who else I have seen: I said I have had the Samaritans and also a mental health institution called Megan CIC, who said that I suffer from a 'Personality disorder'. I get lots of phone calls trolling me, perhaps it is paranoia, I do not know. Who knows.

The Policeman asked who I see for mental health issues: I said: Dr Oranusi. How often he asked. I said twice a year. I also see the mental health nurse at my Long Catlis Road Surgery once a year.

I said this email you mentioned I had sent Force Control was from Vansh Sharma which is a Hindu name. They persecute me because of my religion because I have some Christian values. The Policeman asked about my nationality: I said it is British. He asked the name of our daughter. I gave it a Shanti. He asked for the name of my wife: I said Rashmi. He asked for my telephone number which I had given as 07967789619. And I also gave the Landline number as 01634 379604.

I did not mention a word about my websites and he did not ask that question strangely. He did ask however how do these trolls know your Christian belief. I said I did not know. Word of mouth perhaps. I received 500 criminal anonymous emails from trolls.

He said it is nice around here and what is your mortgage situation; how long have you lived here. I said we have lived here for 30 years and our mortgage is all paid off.

At the end the Policeman had a short talk with Rashmi who was saying that I am mentally ill and this will go on; that we are not in danger. He is a nice man otherwise.

I had gone to Britton House on an unrelated matter but took the opportunity of asking the receptionist citing the cancelled appointment of 3 March 2024 if there was an update. She spoke to someone behind the scenes and came out with a chit stating April 17th Thursday 10.00 am as the date of my next appointment with Dr Oranusi. I explained to the lady receptionist that the Police was in our house this morning asking questions, and I have just asked the Police for an update on the email correspondence (pointing to my phone record of it). The receptionist said if Kent Police need to ask us something they will get in touch with us.

CLOSED FOR BUSINESS

I ended the 375th book 'Hurdle Clearance' up to the above 8.25 pm (UK-Time) 7 April 2025 point to the introduction of: 'Closed for Business'.

I took this decision to close the business of The Conservative Libertarian Publications Limited pending the completion of the Police investigation initiated yesterday morning the 7 April 2025 through the visit to our house from a Kent Police's policeman and interviewing me for over half an hour, and also insisting on speaking to my wife Rashmi at the end. The Community Mental Health Team were notified of this at 2.10 pm during my visit to Britton House for another purpose.

The details of these developments are as follows:

NOTES OF AN INTERVIEW CONDUCTED BY A POLICEMAN FROM KENT POLICE ON DR SHANTANU PANIGRAHI ON 7 APRIL 2025 MORNING

A Kent Police policeman came to our house at 11.15 am wanting to speak to me. He started with 'You have sent Force Controls at Kent Police email to Vansh Sharna. I said Oh yes I know that one. They have been harassing me with trolling emails, so I reported them to Kent Police. He asked me why have you been harassed and since when? I said from 2015 when I took Kent Police to the Courts, But I did not know then that Kent Police cannot be pursued in courts. The law firms know nothing about the law, I approached 80 odd lawyers, and no one knew anything. You can contact Medway County Court and quote J00ME572 to find out the details.

Then the Policeman turned gradually to mental health issues and I said yes I am on medications for mental health issues. The rest of the conversation went on this way. I said that I have used a psychotherapist for the past 18 months by the name of Jill Jesson of Vitali-Chi but she was taken ill during the winter so it stopped. We had Zoom Sessions of therapy. It proved too expensive for me at £60 per session. He asked for the name of the medications that I was taking which I gave as risperidone, Depakote, sertraline, aripiprazole for mental health issues and for urination problems I take Tamsulosin and Finasteride. I also take atorvastatin for high cholesterol. So I take 8 tablets in the morning and 2 tablets in the evening.

He then said that one of the things we can do is an Adult Referral Scheme, if the medications are not working. I said I want a Report from you in writing first on this interview. He said that I would not get a Report in writing. He asked Can I have your consent to make the referral. I said 'No; if you force me I will have to consult a mental health solicitor first. He expressed surprise that there were any such specialist solicitors. I said, 'Yes there are'.

All lies I said. I was a scientist at the Natural Resources Institute and they got rid of me for they were peddling lies. I also lost lots of menial jobs for the same reason. They took money out of my Bank Account. I contacted the Magistrates Court today but nothing. Can you chase Santander Bank up for me? He said 'No. You have to go Action Fraud. I said I have been to Action Fraud. They do nothing. Then the policemen started giving tips and advice on how to stop falling a victim to such online Fraud. I said the Police should catch the criminals but they cannot because it takes time and they have greater priority for talking sexual crimes and physical assault crimes. I said, if you receive an email or text, you cannot ignore them for it will leave you at a disadvantageous position legally. My psychotherapist Jill Jesson advised me to ignore them saying that if it was an important matter they will send something in the post. I have been a mental health patient for 27 years.

He asked what I suffered from: I said they think it is paranoid schizophrenia and also persistent delusional disorder. He asked who else I have seen: I said I have had the Samaritans and also a mental health institution called Megan CIC, who said that I suffer from a 'Personality disorder'. I get lots of phone calls trolling me, perhaps it is paranoia, I do not know. Who knows. The Policeman asked who I see for mental health issues: I said: Dr Oranusi. How often he asked. I said twice a year. I also see the mental health nurse at my Long Catlis Road Surgery once a year.

I said this email you mentioned I had sent Force Control was from Vansh Sharma which is a Hindu name. They persecute me because of my religion because I have some Christian values. The Policeman asked about my nationality: I said it is British. He asked the name of our daughter. I gave it a Shanti. He asked for the name of my wife: I said Rashmi. He asked for my telephone number which I had given as 07967789619. And I also gave the Landline number as 01634 379604.

I did not mention a word about my websites and he did not ask that question strangely. He did ask however how do these trolls know your Christian belief. I said I did not know. Word of mouth perhaps. I received 500 criminal anonymous emails from troll agents of MI5-MI6.

He said it is nice around here and what is your mortgage situation; how long have you lived here. I said we have lived here for 30 years and our mortgage is all paid off.

At the end the Policeman had a short talk with Rashmi who was saying that I am mentally ill and this will go on; that we are not in danger. He is a nice man otherwise.

At 2.00 pm, I had gone to Britton House on an unrelated matter but took the opportunity of asking the receptionist citing the cancelled appointment of 3 March 2024 if there was an update. She spoke to someone behind the scenes and came out with a chit stating April 17th Thursday 10.00 am as the date of my next appointment with Dr Oranusi. I explained to the lady receptionist that the Police was in our house this morning asking questions, and I have just asked the Police for an update on the email correspondence (pointing to my phone record of it). The receptionist said if Kent Police need to ask us something they will get in touch with us. The email that I showed the receptionist is as follows:

Sir

Your annoyance of terrorism set out on the legitimate business of the Conservative Libertarian Publications Limited was totally out of order and is hereby reported to Kent Police for an international warrant for your arrest and transportation to the United Kingdom to face a criminal court.

I am aware that you are one of around 5000 individuals acting singly or as part of an institution who have acted in synchrony to terrorise me in the United Kingdom as part of religious persecution, the details of which will be submitted to Medway Magistrates Court.

Kent Police, Crown Prosecution Service and Medway Magistrates Court are copied into this email of the PROCESSION TO THE NEXT STAGE, of my private prosecution that rightly employs the services of the Law Enforcement authorities of the United Kingdom.

Yours sincerely

Donald Trump is getting out of order in terms of presenting a dictatorial regime in the United States

in Conservative Libertarians-UK

<https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/donald-trump-is-getting-out-of-order-in-terms-of-presenting-a-dictatorial-regime-in-the-united-states>

Conservative Libertarians believe in truth, justice and democracy whereas Donald Trump represents the antithesis of these values.

It was utterly wrong to side with Russia the aggressor in the conflict with Ukraine in the war that has all but destroyed the infrastructure of the invaded country.

Donald Trump should not be invited to a State-visit to the United Kingdom unless his values are in tune with those of the United Kingdom in terms of foreign policies.

For the persecutor who sent me a criminal anonymous email yesterday evening at around 8.30 pm (UK-Time) that I deleted from my Gmail inbox, all mail and Bin folders, I would ask you to try again with better chance of success; for I have succeeded in disposing off the criminal proceedings against me with the linked correspondence: Disposal of criminal proceedings (knowledgeassessmentanddissemination.com)

sitting at Medway Magistrates Court

Your Honour

Further to my communication to the Office of Police and Crime Commissioner this morning that I copied to you as attached: ToOPCCccNorthKentMagistrates(Deadline of 3 pm today for Judgment)28Sep2023.docx, I received the attached document (FrKent Police OFFICIAL

Generated Date 25 September 2023) from Kent Police that seems corrupted by the fact that the Malicious Communications Bail issue date is incorrectly stated as being of 25 September 2023, whereas it was back in 10/06/2023 07.59 am; and further it makes no mention of what is to happen on 10 October 2023 bail date on Stalking offence. It would appear that Kent Police has now lumped together the Stalking and Malicious communication separate matters into a single offence of Malicious communications, but that would be for the Court to adjudicate on.

Additionally I attach correspondence sent to the Samaritans To

SamaritansCABCharityCommissionNHSEngland (Automatic Reply PhSO)28Sep2023.docx; and ToKMPTPALS(Automatic reply PhSONHSEnglandBrittonHouse)28Sep2023.docx; for your kind consideration so that you may dispose off the matter this afternoon and rule the Trial Hearing of 10 November 2023, 2 pm as being invalid and unnecessary with this overwhelming evidence of Conspiracy against me.

Your sincerely

Dr Shantanu Panigrahi

04 April 2025: MODUS OPERANDI OF CONSERVATIVE LIBERTARIANS

Hello Hope you are keeping well.

This Welcome Pack communication is just to welcome you to our Community of Conservative Libertarians.

The Conservative Libertarians (UK) is permitted by virtue of the fact that both its Membership Accounts are validated as things stand this moment in time for these are funded by the Conservative Libertarian Publications Limited and the Membership accounts are held at JOIN IT and Brilliant Directories: this means that the Company can proceed with a business as usual modus operandi, in the absence of an adjudication from the Court authorities specifically who were approached by the Director at Medway County Court (Claim J00ME572) and Central London County Court (Claim E35YM660) and the Appeal of these Court proceedings at the Court of Appeal of the United Kingdom (Appeal Case No CA-2023-000750). who are copied into this email for jurisdiction-ascertaining purposes.

The technical details of what the institution of Conservative Libertarians stand for are as follows: There are so many things wrong with the deeply and multi-polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a

shared outlook. No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

MAKING IT UP AS ONE GOES ALONG

in Questions & Answers

MAKING IT UP AS ONE GOES ALONG

[Edited: 10.28 am, 7 March 2025]

Words are just descriptive-expressions that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of *satya-advaita yoga*, one necessarily makes up new words as one goes along or adapts old words to meet a particular requirement in terms of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 27 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed these in the 345 eBooks that I have so far written in the series under the theme, 'The Allurement of Reality'. But I hope that no such clarifications would be necessary or me be called upon to answer: I wish to let my books do the talking, hence I am editing this post now that I have some free time. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words *Samadhi* and *Mahasamadhi*. I wish to make it clear at this point in time. For me *Samadhi* seemingly started on completion of my Book *Truth-accommodation (Satya-advaita)* and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it the Realisation is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not know what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best *bhakti* that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the period 2020 or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as *sanatan dharma*, that is to say karma in *sanatan dharma*.

Mahasamadhi is total Realisation when one does stop one's karma in *sanatan dharma* and lives in *Yoga-ananda*, the *yogadaan* emanating from one's dedication to the comprehensive approach to yoga.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of *Dharma Rakshati Rakshita* as being the eternal law of the universe, and this has not changed at the moment that I first wrote this posted account at 10.37 am on the 12 of October 2021.
